12 July 2010

To: The Shareholders of Jasper Investments Limited

Dear Sir/Madam,

1. INTRODUCTION

1.1 **Special Business at Annual General Meeting (“AGM”).** The Directors have proposed that the following be discussed as special business at the AGM to be held on Wednesday, 28 July 2010 and Shareholders’ approval sought.

- (a) the renewal of the Share Buy-Back Mandate; and
- (b) the renewal of the IPT Mandate

The purpose of this letter is to provide Shareholders with information relating to the above proposals to be tabled at the AGM.

2. RENEWAL OF THE SHARE BUY-BACK MANDATE

2.1 **Background.** The Share Buy-Back Mandate is a general mandate to be given by the Shareholders that allows the Company to purchase or acquire its issued Shares at any time during the duration and on the terms of the Share Buy-Back Mandate. It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares has to obtain the approval of its shareholders to do so at a general meeting of its shareholders. The adoption of the Share Buy-Back Mandate (“2008 Share Buy-Back Mandate”) was approved by Shareholders at an extraordinary general meeting of the Company held on 24 December 2008 (“2008 EGM”). The shareholders had subsequently renewed the 2008 Share Buy-Back Mandate at an extraordinary general meeting held on 30 July 2009 (“2009 EGM”). The authority and limits of the 2008 Share Buy Back Mandate were set out in the Company’s circular to Shareholders dated 24 December 2008 (“2008 Circular”).

The 2008 Share Buy-Back Mandate was expressed to continue in force until the next annual general meeting of the Company (“AGM”) and, as such, would be expiring on 28 July 2010. Although the Company has not undertaken any purchases or acquisitions of its Shares pursuant to the authority conferred by the 2008 Share Buy-Back Mandate, it is proposed nonetheless that such authority be renewed. Accordingly, the renewal of the Share Buy-Back Mandate will be tabled as an ordinary resolution under Special Business for Shareholders’ approval at the AGM.

2.2 **Rationale for the Share Buy-Back Mandate.** The Share Buy-Back Mandate will give the Directors the flexibility to purchase the Shares of the Company if and when circumstances permit. The Directors believe that share buy-backs provide the Company and its Directors with a mechanism

LETTER TO SHAREHOLDERS

to facilitate the return of surplus cash over and above its ordinary capital requirements, in an expedient and cost-efficient manner. It also allows the Directors to exercise greater control over the Company's share capital structure, dividend payout and cash reserves.

The Share Buy-Back Mandate will also give the Company the opportunity to buy back Shares when such Shares are under-valued.

The buy back of Shares will only be made when the Directors believe that such buy backs would benefit the Company and its Shareholders.

- 2.3 **Authority and Limits of the Share Buy-Back Mandate.** The authority and limitations placed on purchases or acquisitions of Shares under the Share Buy-Back Mandate, if renewed at the AGM, are substantially the same as previously renewed by Shareholders at the EGM held on 30 July 2009. The authority and limitations of the Share Buy-Back Mandate are as follows:

2.3.1 *Maximum Number of Shares*

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buy-Back Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares (excluding treasury shares) as at the date of the forthcoming AGM at which the renewal of the Share Buy-Back Mandate is approved.

For illustrative purposes, on the basis that there are 1,864,161,160 Shares in issue as at 7 July 2010, the Latest Practicable Date and assuming that no further Shares are issued on or prior to the date of the AGM, not more than 186,416,116 (representing 10% of the total number of issued Shares as at that date) may be purchased by the Company pursuant to the Share Buy-Back Mandate.

2.3.2 *Duration of Authority*

Under the Share Buy-Back Mandate, the Company may buy back Shares, at any time and from time to time, on and from the date of the AGM at which the renewal of the Share Buy-Back Mandate is approved up to:-

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held; or
- (b) the date on which the purchases or acquisitions of Shares pursuant to the Share Buy-Back Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buy-Back Mandate is revoked or varied by Shareholders in general meeting,

whichever is the earliest.

2.3.3 *Manner of Share Buy-Backs*

Share Buy-Backs may be made by way of:

- (a) an on-market Share Buy-Back transacted through the SGX-ST's trading system; and/or
- (b) an off-market Share Buy-Back effected in accordance with equal access scheme(s).

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy-Back Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

LETTER TO SHAREHOLDERS

An off-market Share Buy-Back on an “equal access scheme” must satisfy all the following conditions:

- (i) the offer under the scheme must be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
- (ii) all of those persons have a reasonable opportunity to accept the offer made; and
- (iii) the terms of the offer are the same except that there shall be disregarded:
 - (A) differences in consideration attributable to the fact that the offer relate to Shares with different accrued dividend entitlements;
 - (B) differences in consideration attributable to the fact that the offer relate to Shares with different amounts remaining unpaid; and
 - (C) differences in the offer introduced solely to ensure that each member is left with a whole number of Shares.

If the Company makes an off-market Share Buy-Back on an equal access scheme, the Company must issue an offer document to all Shareholders containing at least the following information:

- (I) terms and conditions of the offer;
- (II) period and procedures for acceptances;
- (III) reasons for the proposed share buy-back;
- (IV) the consequences, if any, of share purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (V) whether the Share Buy-Back, if made, would have any effect on the listing of the Shares on the SGX-ST; and
- (VI) details of any Share Buy-Back made by the Company in the previous 12 months (whether on-market Share Buy-Backs or off-market Share Buy-Backs), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

2.3.4 Maximum Purchase Price to be paid for the Shares

The purchase price (excluding brokerage, commission, applicable goods and services tax and other purchase-related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price for a Share shall not exceed:

- (a) in the case of an on-market Share Buy-Back, 5% above the Average Closing Market Price (as defined below) of the Shares; and
- (b) in the case of an off-market Share Buy-Back pursuant to an equal access scheme, 20% above the Average Closing Market Price of the Shares.

For the above purposes:

- (i) “**Average Closing Market Price**” means the average of the closing market prices of a Share over the last 5 Market Days on which transactions in the Shares were recorded, immediately preceding the day on which an on-market Share Buy-Back was made by the Company or, as the case may be, the date of the making of the

LETTER TO SHAREHOLDERS

offer pursuant to an off-market Share Buy-Back on an equal access scheme, and deemed to be adjusted for any corporate action that occurs after such 5-day period; and

- (ii) “**date of the making of the offer**” means the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating therein the relevant terms of the equal access scheme for effecting the off-market Share Buy-Back.

The Listing Manual restricts a listed company from purchasing shares by way of on-market Share Buy-Backs at a price per Share which is more than 5% above the “average closing market price”, being the average of the closing market prices of the Shares over the last five market days on which transactions in the Shares were recorded, before the day on which the purchases were made and deemed to be adjusted for any corporate action that occurs after the relevant five day period.

Although the Listing Manual does not prescribe a maximum price in relation to purchases of shares by way of off-market Share Buy-Backs, the Company has set a cap of 20% above the average closing price of a Share as the maximum price for a Share to be purchased or acquired by way of off-market Share Buy-Backs.

- 2.4 **Funding of Share Buy-Backs.** In financing the Share Buy-Backs, the Company may only apply funds legally available in accordance with its Articles and the applicable laws in Singapore. The Company may not buy back its Shares on the SGX-ST for a consideration other than in cash or, in the case of an on-market Share Buy-Back, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

The Company intends to use its internal funds, external borrowings, or a combination of internal funds and external borrowings, to finance purchases or acquisitions of its Shares. In considering the use of external funding, the Company will take into consideration the availability of external financing and the resulting impact on the prevailing gearing level of the Company and the Group. The Company will only exercise the mandate in the interest of the Company and the Group without causing adverse financial impact to the Company and the Group. **In particular, the Company will have regard to any relevant financial covenants which are applicable to the Company and/or the Group under any agreements for banking and credit facilities which may be granted by a financial institution to the Company and/or the Group from time to time. The Company will not buy back any Shares if such purchases would lead to any breaches of the relevant financial covenants.**

The Companies Act stipulates that any purchases of Shares may be made out of the Company’s capital or profits so long as the Company is solvent. Where the consideration paid by the Company for the Share Buy-Backs is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. However, where the consideration paid by the Company for the Share Buy-Backs is made out of capital, the amount of profits available for the distribution of cash dividends by the Company will not be reduced.

- 2.5 **Status of Purchased Shares.** The Shares purchased or acquired by the Company under the Share Buy-Back Mandate shall be deemed to be cancelled on purchase or acquisition unless held in treasury in accordance with section 76H of the Companies Act. The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

Where Shares purchased or acquired by the Company under the Share Buy-Back Mandate are cancelled, such Shares will be automatically de-listed by the SGX-ST. Certificates in respect of such cancelled Shares will be cancelled and destroyed by the Company as soon as is reasonably practicable after the Shares have been acquired.

LETTER TO SHAREHOLDERS

Where Shares purchased or acquired by the Company under the Share Buy-Back Mandate are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed.

Under the Listing Manual, immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "**usage**"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares of the usage, the number of treasury shares before and after the usage, and the percentage of the number of treasury shares of the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage.

The Company shall not exercise any right in respect of the treasury shares, including:

- (i) the right to attend or vote at meetings; and
- (ii) the right to receive dividend or any other distribution (in cash or otherwise) of its assets (including any distribution of assets to members on a winding up).

The Company may receive allotments of fully paid bonus shares in respect of the treasury shares and the treasury shares may be sub-divided or consolidated so long as the total value of the treasury shares after the subdivision or consolidation is the same as before the subdivision or consolidation, as the case may be.

Any Shares allotted as fully paid bonus shares in respect of the treasury shares shall be treated for the purposes of the Companies Act as if they were purchased by the Company at the time they were allotted, in circumstances in which section 76H of the Companies Act applied.

2.6 Financial Effects of Share Buy-Backs. Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent. For this purpose, a company is "**insolvent**" if:

- (a) it is unable to pay its debts as they become due in the normal course of business. The Companies Act further requires the company to be able to pay its debts as they fall due in the normal course of business not only at the time of the purchase or acquisition but also during the period of 12 months after the purchase or acquisition;
- (b) the value of its assets is less than the value of its liabilities (including contingent liabilities), having regard to the most recent financial statements of the company and all other circumstances that the directors or managers of the company know or ought to know affect or may affect such values. The Companies Act further requires that the value of the company's assets will not be less than the value of its liabilities not only at the time of the purchase or acquisition but also after such purchase or acquisition.

Where the consideration paid by the Company for the purchase or acquisition of Shares (excluding brokerage, commission, goods and services tax and other purchase-related expenses) is made out of available profits, this will correspondingly reduce the amount available for the distribution of

LETTER TO SHAREHOLDERS

cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The actual impact of the Share Buy-Back on the financials of the Company and the Group will depend on the exact number of Shares purchased or acquired, the purchase prices at the relevant time of purchase, how the purchase or acquisition is funded, whether the Shares purchased or acquired are held in treasury or immediately cancelled on purchase or acquisition as well as how the Shares held in treasury are subsequently dealt with by the Company in accordance with section 76K of the Companies Act.

(i) Number of issued Shares

As at the Latest Practicable Date, the share capital of the Company comprised 1,864,161,160 issued Shares, none of which are treasury shares. Purely for illustrative purposes, on the basis of 1,864,161,160 issued Shares as at the Latest Practicable Date and assuming no further Shares are issued and no issued Shares are held by the Company as treasury shares on or prior to the AGM, the purchase by the Company of 10% of its issued Shares will result in the purchase or acquisition of 186,416,116 Shares.

(ii) Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out in sub-paragraph (i) above, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Buy-Back Mandate on the audited financial statements of the Group based on the financial year ended 31 March 2010 are set out below, and assuming the following:

(A) On-market Share Buy-Back

For on-market Share Buy-Back, the purchase or acquisition of 186,416,116 Shares at the maximum price of S\$0.089 (or US\$0.063 based on the exchange rate of S\$1.404 to US\$1 as at the Latest Practicable Date) for one Share (being the price equivalent to 5% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 186,416,116 Shares is approximately S\$16.59 million (or US\$11.82 million based on the exchange rate of S\$1.404 to US\$1 as at Latest Practicable Date).

Shares purchased or acquired by way of on-market purchases are assumed to have been made equally out of capital and were either (i) cancelled or (ii) held as treasury shares.

(B) Off-market Share Buy-Back

For off-market Share Buy-Back, the purchase or acquisition of 186,416,116 Shares at the maximum price of S\$0.102 (or US\$0.073 based on the exchange rate of S\$1.404 to US\$1 as at the Latest Practicable Date) for one Share (being the price equivalent to 20% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 186,416,116 Shares is approximately S\$19.01 million (or approximately US\$13.54 million based on the exchange rate of S\$1.404 to US\$1 as at the Latest Practicable Date).

Shares purchased or acquired by way of off-market purchases are assumed to have been made equally out of capital and were either (i) cancelled or (ii) held as treasury shares.

LETTER TO SHAREHOLDERS

Shareholders should note that the financial effects illustrated above are for illustrative purposes only. In particular, it is important to note that the above analyses are based on the latest audited financial statements of the Company and the Group as at 31 March 2010, and is not necessarily representative of the future financial performance of the Group. Although the Share Buy-Back Mandate would authorise the Company to buy back up to 10% of the Company's issued Shares as at the date that the Share Buy-Back Mandate is obtained, the Company may not necessarily buy back or be able to buy back 10% of the issued Shares in full.

- 2.7 **Taxation.** Shareholders who are in doubt as to their respective tax positions or any tax implications should consult their own tax advisors to take into account the tax law applicable, whether in or outside Singapore, to their particular situations.
- 2.8 **Reporting Requirements.** Within 30 days of the passing of a Shareholder's resolution to approve or renew the proposed Share Buy-Back Mandate, the Company shall lodge a copy of such resolution with the Registrar.

The Company shall lodge with the Registrar a notice of Share Buy-Back within 30 days of such Share Buy-Back. Such notification shall include the date of the purchases, the number of Shares purchased by the Company, the number of Shares cancelled, the number of treasury shares held, the Company's issued share capital before and after the purchases, the amount of consideration paid by the Company for the purchases and such other particulars as may be required in the prescribed form.

- 2.9 **Listing Manual.** The Listing Manual specifies that a listed company shall notify the SGX-ST of any on-market share purchases not later than 9.00 a.m. on the Market Day following the day on which the on-market share purchase was made, and of any off-market share purchases not later than 9.00 a.m. on the second Market Day after the close of acceptance of the offer for the off-market share purchase. The notification of such share purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.
- 2.10 **Suspension of buy back of Shares.** As the Company would be considered an "insider" in relation to any Share Buy-Back, the Company will not buy Shares after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information has been publicly announced. In particular, the Company will not buy Shares during the period commencing one month before the announcement of the Company's full-year results and during the period commencing two weeks before the announcement of the Company's quarterly results, as the case may be, and ending on the date of announcement of the relevant results.
- 2.11 **Listing status on SGX-ST.** The Listing Manual provides that a listed company shall ensure that at least 10% of the total number of its issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed, is held by public shareholders at all times.

As at the Latest Practicable Date, approximately 19.85% of the issued Shares (of which none are treasury shares) is held in the hands of the public. Assuming that the Share Buy-Back was carried out on the Latest Practicable Date, and the Company bought back a maximum number of 186,416,116 Shares and such shares are cancelled, approximately 10.95% of the issued Shares (excluding treasury shares) will be held in the hands of the public.

The Directors will use their best efforts to ensure that the Company does not effect Share Buy-Backs if it would result in the number of Shares remaining in the hands of the public falling to such a level as to adversely affect the listing status of the Company.

LETTER TO SHAREHOLDERS

2.12 **Take-over Implications under the Singapore Code on Take-overs and Mergers.** Appendix 2 of the Take-over Code contains the Share Buy-back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

2.12.1 Obligation to Make a Take-over Offer

Pursuant to Appendix 2 of the Take-over Code, any increase in the percentage of voting rights held by a shareholder and persons acting in concert with him resulting from a Share Buy-Back by the Company will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code.

Under Rule 14 of the Take-over Code, a Shareholder and persons acting in concert with the Shareholder will incur an obligation to make a mandatory take-over offer if, *inter alia*, he and persons acting in concert with him increase their voting rights in the Company to 30% or more or, if they, together holding between 30% and 50% of the Company's voting rights, increase their voting rights in the Company by more than 1% in any period of 6 months.

Consequently, depending on the number of Shares purchased or acquired by the Company and the number of issued Shares at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make a take-over offer under Rule 14 of the Take-over Code.

2.12.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the aforesaid companies, and any company whose associated companies include any of the aforesaid companies. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status;
- (b) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (c) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (d) a company with any of its pension funds and employee share schemes;
- (e) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (f) a financial or other professional adviser (including a stockbroker), with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;

LETTER TO SHAREHOLDERS

- (g) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where there have reason to believe a *bona fide* offer for their company may be imminent;
- (h) partners; and
- (i) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to his instructions and companies controlled by any of the aforesaid persons.

The circumstances under which Shareholders, including Directors, and persons acting in concert with them respectively will incur an obligation to make a Take-over offer under Rule 14 after a purchase of Shares by the Company are set out in Appendix 2 of the Take-over Code.

In general terms, the effect of Appendix 2 of the Take-over Code is that:

- (i) unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its ordinary shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months;
- (ii) a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its ordinary shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.

Based on Substantial Shareholders' notifications received by the Company as at the Latest Practicable Date which is set out in paragraph 4 of this letter, none of the substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the purchase by the Company of the maximum limit of 5% of its issued Shares.

Shareholders who are in doubt as to whether they would incur any obligation to make a Take-over offer as a result of any purchase of Shares by the Company pursuant to the Share Buy-Back Mandate are advised to consult their professional advisers and/or the Securities Industry Council before they acquire any Shares in the Company during the period when the Share Buy-Back Mandate is in force.

- 2.13 **Information on Share Buy-Backs in the last 12 months.** As at the Latest Practicable Date, the Company has not purchased any of its Shares under the 2008 Share Buy-Back Mandate.

3. RENEWAL OF THE IPT MANDATE

- 3.1 **Background.** The adoption of the IPT Mandate was approved by the Shareholders at the 2008 EGM to enable the companies within the Group to enter into any of the transactions falling within the categories of Interested Person Transactions described in the 2008 Circular, with any party who is of the class of or classes of Interested Persons described in the 2008 Circular, provided that such transactions are made on normal commercial terms in accordance with the guidelines and procedures for review and administration of the Interested Persons Transactions as described in the 2008 Circular.

LETTER TO SHAREHOLDERS

Pursuant to Rule 920(1) of the Listing Manual, the IPT Mandate is subject to annual renewal. Accordingly, the IPT Mandate was renewed at the 2009 EGM and unless revoked or varied by the Company in general meeting would continue in force until the conclusion of the forthcoming AGM of the Company. The renewal of the IPT Mandate will be proposed as an ordinary resolution for Shareholders' approval at the AGM.

The nature of the Interested Person Transactions and the classes of Interested Persons in respect of which the IPT Mandate is sought to be renewed remain unchanged. Participants of the IPT Mandate, including the rationale of the IPT Mandate, the benefits to be derived by the Company, as well as the review procedures for determining the transaction prices with the specified classes of Interested Persons are set out below.

3.2 Statement of the Audit Committee

The Audit Committee confirms that:

- (a) the methods or procedures for determining the transaction prices under the IPT Mandate have not changed since the 2008 EGM; and
- (b) the methods and procedures referred to in paragraph (a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority shareholders.

3.3 Chapter 9 of the Listing Manual

Chapter 9 of the Listing Manual of the SGX-ST ("Listing Manual") governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company's interested persons. When this Chapter applies to a transaction and the value of that transaction alone or in aggregation with all other transactions conducted with the same interested person during the financial year exceeds certain materiality thresholds, the listed company is required to make an immediate announcement, or make an immediate announcement and seek its shareholders' approval for that transaction.

Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested person and hence are excluded from the ambit of Chapter 9, immediate announcement and shareholders' approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company's latest audited consolidated net tangible assets ("NTA") are reached or exceeded. In particular, shareholders' approval is required for an interested person transaction of a value equal to, or exceeds:

- (a) 5% of the listed company's latest audited consolidated NTA; or
- (b) 5% of the listed company's latest audited consolidated NTA, when aggregated with all other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.

However, Chapter 9 of the Listing Manual permits a listed company to seek a mandate from its shareholders for recurrent transactions with interested persons of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials that may be carried out with the listed company's interested persons.

3.4 Details of the General Mandate for Interested Person Transactions Mandate

3.4.1 Scope of the IPT Mandate

The IPT Mandate will cover transactions involving the provision of financial assistance by the Interested Person(s) to companies within the Group, which may include (i) the borrowing of money from the Interested Persons, and (ii) the provision of guarantees, indemnities or security by the

LETTER TO SHAREHOLDERS

Interested Persons in favour of the Group's creditors, in respect of borrowings which are incurred by the Group. The Group may seek financial assistance from the Interested Persons in cases where there are insufficient funds for the Group's operations.

The cost of borrowing will be based on the prevailing rates of interest had the relevant company within the Group borrowed from the market. Commission rates (if any) which are charged by the Interested Persons for the provision of such guarantees or indemnities, will be benchmarked against commission rates quoted by financial institutions.

As any interest payable by the Group Companies to the Interested Persons (as defined herein) would be no less favourable than what is offered in the market, the provision of financial assistance by the Interested Persons would also enable the Group Companies ready access to funds in an expedient manner to meet the Group Companies' liquidity and working capital needs.

The IPT Mandate does not cover any transaction between a Group Company and any Interested Person that is below S\$100,000 in value, as the threshold and aggregation requirements of Chapter 9 of the Listing Manual do not apply to such transactions.

3.4.2 Classes of Interested Persons

The IPT Mandate will apply to the transactions set out in paragraph 3.3.1 above proposed to be carried out with the following classes of Interested Persons:

- (a) Morton Bay, which is a controlling shareholder of the Company;
- (b) Ashmore Global Special Situations Fund 2 Limited, Ashmore Global Special Situations Fund 4 Limited Partnership and Asset Holder PCC No. 2 Limited re Ashmore Asian Recovery Fund (together known as the "Funds"), which are substantial shareholders of Morton Bay;
- (c) Ashmore Investments Management Limited ("AIML"), being the manager of the Funds;
- (d) the investment funds excluding the Funds which are managed AIML and/or its Associates ("Other Funds"); and
- (e) any Associate of Morton Bay, the Funds, AIML and the Other Funds.

Transactions with Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

3.4.3 Rationale for the IPT Mandate

The Directors believe that the IPT Mandate is in the interests of the Group for the following reasons:

- (a) Given the present uncertainty in the financial markets, many financial institutions have either stopped providing fresh loans or are imposing more stringent conditions and higher pricing for new loans.

To assist the Group in tiding over these challenging times, the Directors are of the opinion that it may be more expedient on certain occasions to secure financial support from the Interested Persons for the Group's operations.

As it is expected that such funding from the Interested Persons may be recurrent during this financial year and that the interest payable on the loan(s) to be extended by the Interested Persons may exceed 5% of the Group's latest audited NTA for the current financial year, the Company is proposing to table the IPT Mandate for approval by shareholders (other than the Interested Persons, who would have to abstain from voting on the resolution to be proposed in respect of the IPT Mandate).

LETTER TO SHAREHOLDERS

The Company believes that having an IPT Mandate in place at this critical juncture would enable it to tap on the financial support from the Interested Persons as and when the need arises.

- (b) If the Company is constantly required to seek Shareholders' approval for transactions with the Interested Persons, the Company would have to expend administrative time and resources as well as incur additional expenses associated therewith. The IPT Mandate would allow such resources and time to be channelled towards the Company's other objectives.

The IPT Mandate and the renewal thereof on an annual basis, is intended to facilitate the Interested Person Transactions which the Directors envisage are likely to be transacted with some frequency from time to time with the Interested Persons, provided that they are carried out at arm's length and on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

3.4.4 Review Procedures for the Interested Person Transactions

To ensure that the Interested Person Transactions are conducted on an arm's length basis, on normal commercial terms consistent with the Group's usual business practices and on terms which are generally no more favourable than those extended to unrelated third parties, procedures have been established by the Group. As a general practice, the relevant company within the Group will only enter into an Interested Person Transaction if the terms offered by an Interested Person are no less favourable than terms offered by third parties.

The borrowing of funds from any Interested Person should be at rates and on conditions no less favourable than those quoted by financial institutions.

In relation to the provision of guarantees, indemnities or security by the Interested Persons in favour of the Group's creditors, in respect of borrowings which are incurred by the Group, any commission rates (if any) which are chargeable by the Interested Persons for the provision of such guarantees or indemnities, shall be at rates no less favourable than that quoted by financial institutions.

Pursuant to the above, the Company will require that quotations be obtained from such Interested Person and at least two financial institutions for loan and commission rates, as the case may be, for an equivalent amount, and for the equivalent period, of the funds to be borrowed or guarantees, indemnities or security to be issued.

In cases where for any reason, quotations from less than two financial institutions or no quotations are received from financial institutions, the Audit Committee shall take such necessary steps which would include but is not limited to (i) reviewing available recent terms and conditions of comparable transactions and (ii) relying on corroborative inputs from market practitioners in order to determine that the terms and conditions provided by the Interested Persons are fair and reasonable.

All Interested Person Transactions must be reviewed and approved by the Audit Committee before they are entered into by the relevant Group Company.

3.4.5 General Administrative Procedures for the Interested Person Transactions

The Company will also implement the following administrative procedures in respect of proposed Interested Person Transactions:

- (a) A register will be maintained by each company within the Group to record all Interested Person Transactions which are entered into pursuant to the IPT Mandate. The annual internal audit plan shall incorporate a review of all Interested Person Transactions entered into pursuant to the IPT Mandate.

LETTER TO SHAREHOLDERS

- (b) The internal or external auditors of the Company will review annually the established guidelines and procedures for the Interested Person Transactions to ensure compliance. The results of these reviews will be reported to the Audit Committee.
- (c) On the basis of these annual reviews by the internal or external auditors and in the event the Audit Committee is of the view that the guidelines and procedures as stated above are not sufficient to ensure that the Interested Person Transactions will be on normal commercial terms and will not be prejudicial to the minority Shareholders, the Company will revert to Shareholders for a fresh mandate based on new guidelines and procedures for transactions with the Interested Persons.
- (d) The Audit Committee has the overall responsibility for determining the review procedures with the authority to delegate to individuals within the Company as they deem appropriate. For the purpose of the approval process, if any member of the Audit Committee has an interest in a transaction to be reviewed by the Audit Committee, he/she will abstain from any decision making by the Audit Committee in respect of the transaction. Accordingly, where any member of the Audit Committee has an interest in the transaction to be reviewed by the Audit Committee, the approval of that transaction will be undertaken by the remaining member(s) of the Audit Committee.

3.4.6 Validity Period of the IPT Mandate

The IPT Mandate will take effect from the date of passing of the Ordinary Resolution relating thereto, and will (unless revoked or varied by the Company in general meeting) continue in force until the conclusion of the next AGM of the Company and will apply to the Interested Person Transactions which are entered into from the date of passing of the Ordinary Resolution relating to the IPT Mandate.

Approval from Shareholders will be sought for the renewal of the IPT Mandate at each subsequent Annual General Meeting of the Company, subject to review by the Audit Committee of its continued application to the Interested Person Transactions.

3.4.7 Disclosure to Shareholders

The Company will announce the aggregate value of transactions conducted with the Interested Persons pursuant to the IPT Mandate for each financial period on which the Company is required to report on pursuant to the Listing Manual and within the time required for the announcement of such report in accordance with the requirements of Chapter 9 of the Listing Manual.

Disclosure will also be made in the annual report of the Company of the aggregate value of the Interested Person Transactions conducted pursuant to the IPT Mandate during the current financial year, and in the annual reports for the subsequent financial years during which the IPT Mandate is in force in accordance with the requirements of Chapter 9 of the Listing Manual.

5. DIRECTORS' RECOMMENDATIONS

- 5.2 **Renewal of the IPT Mandate.** The Independent Directors having considered, *inter alia*, the terms, the rationale and the benefits of the IPT Mandate set out in this letter, are of the view that the renewal of the IPT Mandate is in the best interests of the Company.
